

# Announcing the return of Broadway Bound to QMT!

Broadway Bound was created as a way for students in the region to receive high quality training in the areas of Music, Dance, and Drama to help them excel onstage and off. We are very excited for this program to return to QMT and can't wait for you to join us. New this year we will be introducing a rotating schedule of classes which will see our students receive 40 minute lessons in our areas of focus each Thursday while getting to build a strong sense of community from each of our 3 class offerings based on age and experience.

These classes are:

Bravo: 1st grade through 4th grade

Encore: 5th grade through 8th grade

Ovation: 9th through 12th grade

This will culminate in a showcase at the end of the semester where the students will get to show the skills that they have gained.

Classes this semester will run Thursday afternoons from 4:30-6:45 from September 12th through November 21st.

We hope to see you at the Theatre!
